### A Disgraceful Farce.

A Disgraceful Farce.

It is rather late in the day to hold a new election for the choice of delegates from the Dismonder tax law, which would have robbed the government of \$8,380,000 had they been successful, were frustrated by Treasury officials. The amount of which the government actually was defrauded probably will never be known, since all the successful tax dodgers are not likely to become conscience stricken.

The Hand of Germany.

Whether Casement is lunatic or knave, the district of columbia to the Republican national conficial national confiction for the choice of delegates from the Dismonder of the convention of the certificate of election that will be presented to the convention will in effect be an indictment of the citizens of the ticket which, according to the returning all the successful tax dodgers are not likely to become conscience stricken.

The Hand of Germany.

Whether Casement is lunatic or knave, the district of columbia to the Republican national conficial Germany. It was Germany that mustered its British military prisoners of Irish birth and by threats and promises persuaded a pitiful forty of fixty out of 4,000 to engage in the hazardous will in effect be an indictment of the citizens of the Capital for lack of intelligence. The head of the ticket which, according to the returning board, received the highest number of votes, declared before the count that the primary was the large function of the convention of the citizens of the convention of the citizens of the cuttering will in effect be an indictment of the citizens of the cuttering of the capital for lack of intelligence. The head of the cuttering will never be known, since all the successful tax dodgers are not likely to be a decided probably will never be known, since all the successful tax dodgers are not likely to be a decided probably will never be known, since all the successful tax dodgers are not likely to be a decident of the certificate of the convention of the citizens of the cuttering the capital tax dome the plant tax and the discovery that he had a long lead over the other candidates did not change his opinion. This paragraph, signed by W. J. Bryan, ap- His vindication came when the certificate of elecpears in the current issue of the Commoner: tion was awarded to another ticket. It is possible the game of some ambitious politicians. Put There is some talk of Fred Lynch, of Minnesota, for Democratic national chairman, and it is even whispered that Arthur Mullen, the new member from Nebraska, has his eye on the position. But surely the committee would not select either of these novices in machine political and disgraceful proceedings with half-way indifference are those who refrainshould meet with instant and stern reprobation.

That the convention will pass favorably upon the credentials of the men who present themselves as delegates from the District of Columbia, but it is to be hoped not. The only persons who can view the farcical and disgraceful proceedings with half-way indifference are those who refrainshould meet with instant and stern reprobation.

Aside from an economic feature of a government armor plant the claim is made that it is a dangerous policy to attempt to manufacture munitions of the men who present themselves as delegates from the District of Columbia, but it is to be hoped not. The only persons who can view the farcical and disgraceful proceedings with half-way indifference are those who refrainshould meet with instant and stern reprobation.
